DEDICATION

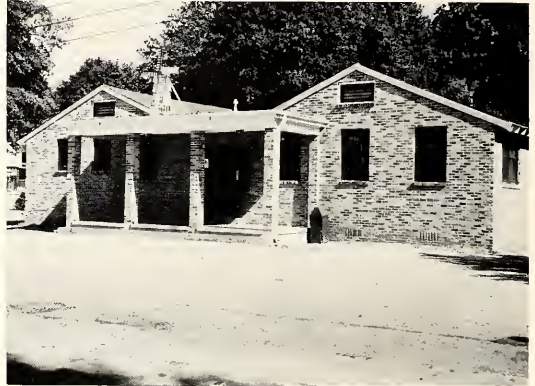

We, the staff, dedicate the 1957 edition of the BROOM to our new president, Mr. James M. Ewing. Mr. Ewing came to Delta State from Copiah-Lincoln Junior College, where he served as president for twenty-four years. A native of Vaughn, Mississippi, Mr. Ewing received his bachelor's degree from Mississippi State, and his Master of Arts from Columbia University.

Mr. Ewing, may this dedication remain as a symbol of your welcome to Delta State!

Administration, Faculty and Staff

JAMES M. EWING, M.A.
President
Delta State College

Congratulations to the 1957 Staff of the BROOM!

You, the staff, as well as all students, faculty, and Alumni have been generous, kind, friendly, and co-operative toward Mrs. Ewing and me during this our first year as a part of Delta State. We are sincerely grateful!

As you have helped to make Delta State a greater institution may you continue a life of service to your state and nation, your fellow man, your church, and your God. In this unselfish service you will find serene happiness.

Delta State will always be interested in your welfare. If we as faculty and staff can ever be of assistance to you, we are yours to command. Your loyalty to your Alma Mater will measure your success and ours.

With sincere love and appreciation we pray God's richest blessings upon each of you.

Sincerely,
J.M. Ewing

JOE FARRAR, Ph.D.
Dean of the Faculty
Delta State College

Never in the annals of history have peoples and nations been faced with such serious and difficult problems as confront them today. They are problems that you and your generation must solve and I assure you that they won't be easy. Their solution will require strong minds and stout hearts, but for the sake of generations to follow, you cannot, you must not, fail. I urge you, therefore, to use wisely and well the opportunities you have now at Delta State to prepare yourselves for the difficult tasks that lie ahead of you.

With all good wishes to every one of you, I am

Sincerely yours,
Joe Farrar

The staff would like to dedicate this section of the yearbook to the memory of Charles William (Billy) Reese, who would have been a member of the senior class. Billy, the son of Mr. and Mrs. Charles Reese of New Albany, was fatally shocked on August 14, 1956. He will be long remembered, dearly loved, and greatly missed by the students and faculty of Delta State College.

Student Government Association

Every student at Delta State is a member of the STUDENT GOVERNMENT ASSOCIATION. Through this organization, each is able to state his views on any subject of student concern and to work for any condition that he may want to exist at Delta State. The executive cabinet and the honor councils are the leaders of the "voice of the students." Participation in student government is encouraged by the faculty because of its value as training for life in a democracy.

SUMMING UP

The Statesmen opened with a bang by downing the Mississippi College Choctaws in Clinton, Mississippi, 25-0. Adams and Grubb were big guns in the victory. Delta State scored 19 of its 25 points in the first half and sat back for 27 minutes before scoring its final tally.

Then the Greenies came home to meet Northeast Louisiana State and got trounced 20-12. Nathan Zametto was outstanding for Northeast as he accounted personally for almost all of the Indians' 20 points. Mike Nichols was the outstanding back for Delta and Cotton Robertson did a good job of filling up the holes in the line.

"Short gain"

For the third game of the season Delta journeyed to Troy, Alabama and handed Troy State Teachers College 19-0 defeat. Carl Grubb, candidate for Little All American honors, and Mike Nichols, a fine halfback, were the big stars for the Delta eleven. To single out individual stars in the line would be impossible, since the entire forward wall played an outstanding game.

The Statesmen then performed before the alumni on Homecoming Day and gave Arkansas A & M its first setback, 27-7. Delta scored first with fullback Lacy Chapman going over from the one. Adams later passed to Mike Nichols for a 74 yard scoring play. Carl Grubb added 12 points and was leading ground gainer.

We won't say too much about the game down at Tampa, Florida except for the facts that we lost 21-12 and Ken Lauderdale was put out for the season with a broken leg.

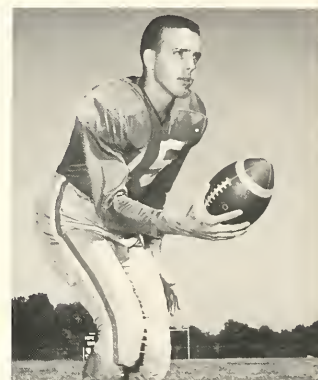

The next game is the type of game all Delta fans like to talk about, a 67-19 defeat of Livingston State Teachers College. Everyone got into the limelight as Coach Chadwick cleaned the benches. It seems that every member of the backfield scored at one time or another.

Cotton Robertson LG

In the seventh and perhaps the coldest game of the season, Delta defeated Arkansas Tech, 34-32. Halfback Mike Nichols scored three touchdowns and set up another. Durwood Strain, Gordon Kent and Cotton Robertson were outstanding in the line.

For the final game of the season, Delta invaded Louisiana College on Thanksgiving Day and got thumped 13-0. Although the Statesmen did not play their best game of the season, they ended the season with a fine record of 5-3. All in all it was a good season and the thirteen seniors will be sorely missed next year.

This trophy, awarded primarily on the basis of sportsmanship, is dedicated to the memory of Freddie Black, member of the 1953 football team, who was accidentally drowned during the Christmas holidays of that year. It is presented each year to a member of the football team and is engraved with his name.

The Delta Council Bale Identification Association tag is a mark of distinction in every cotton textile center of the world. It is recognized as a trademark of quality, assuring mill operators that the fiber was produced in the Mississippi Delta, an area noted for the production of cotton with a history of superior performance. The Delta Council Bale Identification Association identifies an average of 650,000 bales of Delta cotton each year.

These tags are just one part of the increasingly important job of promoting the use of cotton and cotton products. The success of these efforts will directly influence the future of the cotton industry in the Mississippi Delta. The Delta Council Bale Identification Association urges you to help these efforts by identifying and promoting the use of the area's quality product from the gin through the retail counter and by using cotton products in fashions and furnishings.
